

Missouri Nonpublic School Accrediting Association 2015-2018

Vision Statement

The Missouri Nonpublic School Accrediting Association (MNSAA) accredits Missouri's non-public schools. MNSAA supports schools in their ongoing improvement process to adopt best educational practices as these schools strive to become schools of choice.

Mission Statements

The MNSAA Board of Directors:

- articulates best educational practices to member schools.
- enhances the association's visibility and credibility in the state of Missouri.
- creates a structure to enhance the organization's professional recognition.

Ministry Statements

The Board of Directors will:

- assist member schools in implementing best practices.
- update the MNSAA website.
- develop additional communication methods with member schools.
- communicate with non-member schools to increase membership.
- investigate and promote professional development for member schools.
- celebrate accomplishments of member schools.
- develop a policy manual for the accrediting association.
